A RURALCO BUSINESS

First home or investment with potential.

Located in a private cul-de-sac, just minutes walk to Splash Devonport aquatic and leisure centre.

Backing onto native bush, this brick veneer home is situated on an 890m² block (approx).

The home is well heated with a recently installed Mitsubishi R/C in the lounge, this also keeps the three well sized bedrooms warm through the night.

For the added benefits the bathroom has a separate bath and shower, for those who prefer the two apart. The toilet is private, being detached from the bathroom.
